

City Administrator & Staff Update

2025.07.17

- **New Laws of Interest 2025:** Please see the attached document from the Iowa League.
- **Beaverdale:** We held our annual meeting with Beaverdale this week and reviewed the required information and received an update on their progress with the water mains. Please see the attached information.
- **Professional Articles** – CityScape and ICMA PM Magazine will be publishing an article I wrote on our prairie efforts, cost savings, benefits, etc.
 - Thanks so much for your article submission. It looks fantastic. I've slated it for the October issue of *PM Magazine*. You can expect to receive the copyedited version for your review in September. And thank you for the photos as well! We'll use as many as we can. Best, Kerry Hansen, Senior Managing Editor
[Public Management Magazine](#)
- **Pool:** Looking to do remote broadcast from the pool.
 - We would love to do a live remote broadcast at the pool. In fact, we used to do this at Dankwardt Park pool each summer and have done it numerous times at the Fun City waterpark over the years. A live remote broadcast involves 2 hours of onsite broadcast by one of our On Air Personalities. They setup and play live music, setup cornhole games, have a dice or plinko game at the booth where people can win station swag (frisbees, water bottles, etc.). We can also conduct a fun game in the pool with numbered rubber ducks that we own. And we have a water bucket game we can coordinate to be played as well. For the latter two games, the pool/client has typically provided the prizes (Oriental Trading type stuff). We could probably acquire the prizes too for a nominal fee. The cost of the 2 hour live remote is \$750. We do have 6 live breaks where we can interview management or staff or even patrons talking about the pool and building interest.
 - Advertising 60 – 15 second slots is \$550
 - Looking at a food special for another day.
 - Tara our wellness coordinator may yet be interested in doing something at the pool.
- **Property:** Bid and draft agreement attached. Here are the links to our webpage and we posted on social media. Bid Page: <https://www.westburlingtoniowa.gov/bids.aspx?bidID=6>, Full Page: <https://www.westburlingtoniowa.gov/334/INVITATION-TO-BID>

- **Pollinator:** Some potential opportunities, funding, and partnering...I recently gave a talk for the Des Moines County Master Gardeners and Lindsey Dickey, the vice president, encouraged me to reach out to you. I'm the Iowa State Coordinator for the nonprofit [Pollinator Partnership](#)'s [Project Wingspan](#). Project Wingspan is a multi-year landscape-scale project supported by donations, sponsorships, and a grant from the National Fish and Wildlife Foundation to increase the quality, quantity, and connectivity of pollinator habitat across the Midwest to support imperiled native pollinators and the vital habitat on which they depend. We are doing this by training volunteers, in collaboration with program partners, to make targeted collections of local genotype native wildflower seed within designated collection zones. Those Iowa-sourced seeds are then awarded to qualifying public and private landowners/managers to increase and enhance pollinator habitat on the lands that they manage. Lindsey said that West Burlington is planning to add prairie areas into various locations throughout the city and add more native plants over the next few years. I wanted to reach out to let you know about our program in case you were interested in [applying](#) for our seed/plant material (some collected at nearby Big Hollow and Aldo Leopold Recreation Areas last year thanks to a partnership with Des Moines County Conservation), technical advice, or other ways that we could potentially work together or collaborate.

NEW LAWS OF INTEREST TO CITIES 2025 LEGISLATIVE SESSION

The 2025 legislative session adjourned sine die on May 15, concluding the first session of the 91st General Assembly. As expected in a non-election year, the pace of legislative activity was consistent and robust, with lawmakers submitting new ideas for consideration and advancing policy priorities that have gained momentum over recent sessions.

The dominant themes of 2025 emphasized the balance between state-level uniformity and local government flexibility, particularly in areas such as zoning, public safety, and economic development. Several laws establish clear statewide parameters limiting cities' ability to enact ordinances that go beyond state or federal requirements, specifically concerning contractor regulations, accessory dwelling units, and diversity, equity, and inclusion program offices. At the same time, cities gained a few new tools to support volunteer emergency responders and to manage public safety resources more effectively.

Significant reforms to economic development incentives reflect a focus on streamlining tax credits and aligning them with state priorities for growth and sustainability. The session also included important updates on public pension contributions and expanded protections for public safety employees.

The session's only vetoes related to eminent domain and CO₂ pipeline authority, and medical psilocybin use—areas largely outside direct city control but still relevant to ongoing policy discussions at the local level.

As always, the League has summarized the key laws that may affect your community in this publication. We encourage city officials to review the summaries, track implementation timelines, and contact League staff with questions or concerns regarding a specific community.

Reader's Guide to New Laws Summaries

This Special Report outlines legislation passed during the 2025 legislative session that affects cities and is categorized in subject areas for easier reading. The sample entry below explains what type of information this report contains.

Note: The report is intended as a reference guide to new laws that may interest your community. This report should not act as a substitute for the actual final enrolled legislation, nor should it substitute for advice from an attorney.

Reminder:

The text of each bill is accessible from the General Assembly's website: www.legis.iowa.gov

Indicates the bill number and the League's title for the bill. HF means the bill originated in the House and SF means the bill originated in the Senate.

The digest provides information on the entire bill or a portion of the legislation that impacts cities. Note that a "Section" reference here refers to sections of the enrolled bill.

HF 123 | Bill Name

This is where a description of the bill would be, along with an explanation of how it impacts city governments.

Amends Section 12A.3 | Effective February 10, 2025

Indicates the Section or Chapter in the *Code of Iowa* that has been amended.

Indicates the effective date.

Legislation Passed In 2025

City Administration

SF 588 | Public Notice Timeframe Alignment (League Proactive Legislation)

Aligns public notice timing publication requirements for local government public hearings to a single standardized timeframe of 4-20 days, regardless of the hearing's topic.

Amends Sections 24.2A, 28E.17, 103A.12, 404.2, 414.4, Chapter 368, 372.4, and Chapter 384 | Effective Date: July 1, 2025

HF 706 | Open Records Requirements for Governmental Bodies

Requires a newly elected or appointed public official of a governmental body to complete a course of training regarding the responsibilities and requirements of open records laws for government officials. This training must take place within 90 days of the official either taking their oath of office or assuming the responsibilities of the office. The Iowa Public Information Board (IPIB), or another entity providing the training, is required to provide a certificate of course completion, and the governmental body must maintain and make these certificates of completion available for the public. The law increases civil penalties for violation of open records laws to \$500-\$2,500 for accidental violations and \$5,000-\$12,000 for knowing violations. Additionally, a member of a governmental body can be removed from office if they have engaged in prior violations for which damages were assessed.

Amends Sections 21.6, 22.7, 23.6, 23.10, and creates Section 21.12 | Effective Date: July 1, 2025

HF 928 | Election Recount and Contest Procedures

Clarifies procedures regarding when the county board of supervisors meets to canvass the vote in a local election, when a recount can be requested, and what parameters for the differences between votes must exist for a recount to be taken up. Additionally, the law indicates that the state commissioner of elections is responsible for directing any statewide, general assembly, or federal office recount procedures, and provides rules for the procedures that the state commissioner, candidates, political parties, and court systems must follow for a recount.

Amends Sections 43.49, 43.56, 46.24, and Chapter 50 | Effective Date: July 1, 2025

HF 954 | Election Conduct Procedures

Establishes specific dates for city special elections following standard city elections and clarifies that a federal candidate convicted of a felony is not barred from campaigning for federal office in Iowa. The law requires the state commissioner of elections to issue a separate affidavit of candidacy for federal candidates and mandates county election commissioners to notify the state commissioner if their office undergoes any physical or cybersecurity assessments by state, federal, or other entities. It also updates voter registration storage requirements and retention periods and prohibits ranked-choice voting.

Amends Sections 9E.6 and 39.2 through 49.93 | Effective Date July 1, 2025 & January 1, 2026

HF 645 | Immunity for Racing Facilities from Nuisance Actions

Prohibits surrounding property owners from bringing a nuisance action against a racetrack or racing facility if the track or facility predates the building or purchasing of the surrounding property.

Amends Section 657.13 | Effective Date: July 1, 2025

HF 652 | Additional Powers Granted to City Zoning Boards of Adjustment

Gives city (and county) boards of adjustment additional authority to consider appeals for variances in cases where strict enforcement of zoning rules creates practical difficulties for the property owner. Prior to this legislation, boards could only grant variances under a very strict standard called “unnecessary hardship.” HF652 creates a more flexible standard for certain types of variances, called dimensional variances. These include things like setbacks, lot size, height, signage, and parking. Under the new law, dimensional variances can be granted if a strict application of the zoning rules creates practical difficulties for the landowner, the problem is unique to the property and not self-created, and the variance won’t significantly change the character of the neighborhood. The original strict standard for use variances (e.g., allowing a commercial use in a residential zone) still applies.

Amends Sections 335.15 and 414.12 | Effective Date: July 1, 2025

City Financing

HF 844 | Financial Institutions Public Funds Deposit Eligibility

Eliminates the requirement that public funds only be deposited into financial institutions that demonstrate a commitment to serving local communities, as determined by the state treasurer.

Amends Section 524.223 and repeals Section 12C.6A | Effective Date: July 1, 2025

SF 574 | Reduced Retention Fees for Public Improvement Contracts

Reduces the maximum retention fee cities can withhold from contractors and subcontractors on public improvement projects from 5% to 3%. Retained funds continue to be reserved for payment of claims related to materials and labor performed on the projects.

Amends Section 573.12 | Effective Date: July 1, 2025

SF 619 | Natural Hazard Mitigation and Disaster Recovery

Establishes and updates key programs and regulations related to natural hazard mitigation and disaster recovery. The law creates the Natural Hazard Mitigation Financing Program to provide loans for projects like flood control infrastructure, zoning changes, and building code enforcement, with administration by the Department of Homeland Security and Emergency Management (HSEMD) and the Iowa Finance Authority (IFA). It modifies the Disaster Recovery Housing Assistance Program, requiring clearer eligibility criteria, funding limits for administrative costs, and annual legislative reporting by IFA. The law expands regulations on insurance benefit assignments to residential contractors and establishes licensing and disciplinary rules for adjusters, appraisers, and umpires. Additionally, it clarifies that disaster housing grants are tax-exempt until 2028, and allows the Governor or Department of Management to use up to 10% of the Iowa Economic Emergency Fund for disaster-related activities. Finally, it allocates \$2 million to the Nuisance Property Remediation Assistance Fund to support communities in addressing nuisance properties.

Creates Sections 16.230 through 16.233; amends Sections 16.57B and 16.57D; 422.7; 507B.4 and 515.137A; 522B.5A and Chapter 522C; 507B.2 and 522B.5A and Chapter 522F; 8.55; and makes appropriations | Effective Date(s): July 1, 2025 (Except Divisions 3 and 8, which are effective as of April 22, 2025)

SF 657 | IEDA Tax Incentive Reform

Overhauls Iowa's economic development tax incentive programs, impacting collaboration between the Iowa Economic Development Authority (IEDA) and local governments. The law implements a \$170 million cap on key tax credits, establishes the Business Incentives for Growth (BIG) Program allowing property tax exemptions only for eligible businesses, and repeals the High Quality Jobs Program while honoring existing agreements. The legislation clarifies eligibility rules for Renewable Chemical Production tax credits, creates the Iowa Film Production Incentive Program, and eliminates several tax credit programs, including Employer Child Care and Assistive Device credits. The law also reduces Endow Iowa tax credits, introduces new credits for research and development and sustainable aviation fuel production, and authorizes the recovery of credits from non-compliant businesses. Additional provisions allow adjustments to financial assistance amid business closures, align IEDA's rules with natural disaster legislation, and update various tax and incentive programs with effective dates varying by division.

Amends or repeals multiple Sections in Chapters 15, 15E, 422, and 452A | Effective Dates Vary by Division

HF 975 | IEDA Reform and Funding Adjustments

Reforms multiple programs and funding mechanisms under the Iowa Economic Development Authority (IEDA). The law updates the committee that reviews applications for the Strategic Infrastructure Program, modifies the awarding process for Brownfield and Grayfield tax credits, and revises the Community Attraction and Tourism Program. It also changes the Historic Preservation tax credit registration requirements, eliminates the Title Guaranty Board, and reassigns responsibilities related to arts, culture, and cultural and entertainment district promotion within IEDA.

Amends various Sections in Chapters 15, 15F, 404A, and 16 | Effective Date: July 1, 2025

Establishment of Statewide Regulations

SF 592 | Required Allowance of ADUs

Requires cities to allow at least one accessory dwelling unit (ADU) on the same lot as a single-family home if it meets state building code (Iowa Code Chapter 103A) and does not exceed 1,000 square feet or 50% of the main dwelling's size. ADU permits must be approved without a hearing and on the same timeline as single-family homes; if denied, the city must issue a written explanation and outline a path to approval. Cities may not impose additional restrictions on ADUs beyond what applies to single-family residences, except where limited by a historic building code, deed restriction, or the rules of a co-op, HOA, or condo association. Manufactured and mobile homes may be converted into ADUs if placed on a permanent foundation. Any local regulation inconsistent with the new law is void, though cities may adopt more permissive ADU policies if desired. Local zoning ordinances and accessory structure rules should be reviewed for compliance.

Amends Section 364.3 | Effective Date: July 1, 2025

SF 303 | Prohibition of City Bans on Fireworks on Specific Dates

Prohibits cities from banning the use of consumer fireworks on July 3, 4, and December 31, except as allowed under the time-of-day restrictions set in Iowa Code Section 727.2(4). Specifically, cities must allow fireworks to be used or exploded on July 3rd between 9 a.m. and 10 p.m., on July 4 between 9 a.m. and 11 p.m., and on December 31 between 9 a.m. and 12:30 a.m. on January 1. Cities that currently have broader bans on fireworks usage must update their local ordinances.

Amends Section 364.2 | Effective Date: July 1, 2025

HF 856 | Prohibition of City Diversity, Equity, and Inclusion (DEI) Offices or Officers

Prohibits cities from using public funds to establish or support DEI offices or officers, whether by employment or contract. The law defines DEI broadly to include efforts or policies that promote preferential treatment, benefits, or messaging based on race, color, ethnicity, or gender, including concepts such as unconscious bias, systemic oppression, allyship, and social justice. A DEI “office” is any department focused on DEI-related work, and a DEI “officer” is any employee or contractor whose duties are related to such activities. The law provides exemptions for legal compliance offices, recruitment offices, licensed health professionals, teaching and research, and DEI efforts required by federal contracts. Proclamations or human rights commissions that do not establish a dedicated DEI office or officer may still be permissible, but cities should consult their attorneys. The law also creates enforcement mechanisms: the Attorney General may bring a writ of mandamus, and public employees may seek an injunction through the courts.

Creates Sections 19.1 through 19.3 | Effective Date: May 27, 2025

SF 311 | Civil Service Reform

Prohibits cities with a civil service commission from creating a separate citizen review board or similar entity to oversee law enforcement officers, firefighters, or EMS providers. The bill also lowers the population threshold for certain civil service commission requirements. Previously, only cities with populations over 70,000 had to appoint at least five commissioners; SF 311 reduces this threshold to 50,000, now requiring cities with populations over 50,000 to establish a commission with no fewer than five and no more than seven members by ordinance. The bill further clarifies that the city carries the burden of proof when seeking to remove someone from their civil service position and establishes specific procedural and timing requirements for scheduling and conducting appeal hearings.

Amends Section 364.3 and Chapter 400 | Effective Date: August 16, 2025

SF 603 | Prohibition of Additional Contractor or Developer Compensation or Training Requirements

Prohibits cities from requiring or incentivizing developers, contractors, or subcontractors to participate in apprenticeship or training programs beyond what state law mandates, affirming that such programs are voluntary unless otherwise required by state law. This legislation was amended by SF262 to clarify that local governments can still impose training requirements if they are necessary to comply with federal laws or regulations.

Amends Sections 84D.8 and 364.3 | Effective Date: March 28, 2025

HF 860 | Prohibition of Local Ordinances or Regulations Governing Equipment Fuel-Sources

Prohibits cities from adopting or enforcing ordinances or regulations that restrict residents from selling, purchasing, or owning equipment or vehicles based on their fuel source.

Creates new Sections 214A.41 through 214A.43 | Effective Date: July 1, 2025

Public Safety & Pensions

HF 297 | Dual-Role Volunteer Emergency Providers and City Council Members Allowance & Establishment of Special Savings Account for Major Public Safety Equipment

Allows a city officer or employee who also serves as a volunteer firefighter or EMS provider to receive nominal compensation, stipends, incentives, or benefits from their volunteer role, even though they are otherwise employed or serve the city. In cases where the dual role involves serving as chief of the volunteer fire department, the city council must approve the arrangement by a majority vote, with the individual in question abstaining from the vote if they are a member of the council. The law also authorizes cities to establish a special savings account dedicated to the purchase, possession, and maintenance of major public safety equipment for police, fire, or EMS services. Funds deposited in this account may be carried forward across fiscal years and are exempt from reversion to the general fund, but must be used exclusively for qualifying public safety equipment purchases.

Amends Sections 362.5, 372.13, and 384.3 | Effective Date: July 1, 2025

HF 793 | Firefighter Certification & Service Preventions

Directs the Department of Public Safety to revise its rules by January 1, 2026, to prohibit any individual who is required to be listed on the sex offender registry from being certified as a firefighter or serving as a noncertified or volunteer firefighter. This applies to both current and prospective firefighters.

Amends DPS administrative rules Chapter 71 | Effective Date: July 1, 2025

HF 969 | Covered Cancer Definition Expansion and Public Safety Pension Employee Contribution Increase

Expands the definition of covered cancers for firefighters under both the IPERS and MFPRSI benefits programs to include all types of cancers, broadening eligibility for related benefits. The law also adjusts pension contribution rates for public safety employees enrolled in IPERS or MFPRSI, increasing the employee contribution rate by 0.125% beginning July 1, 2025, and for all fiscal years thereafter. To offset this charge, the employer contribution rate will decrease by 0.125% over the same period.

Amends Sections 97A.1, 97A.8, 97B.11, 411.1, and 411.8 | Effective Date: July 1, 2025

HF 1002 | Establishment of Length of Service Award Programs (LOSAP) for Volunteer Emergency Responders

Authorizes cities to establish a LOSAP for volunteer firefighters, EMS providers, and reserve peace officers. If a city chooses to establish a LOSAP, it must develop program guidelines in consultation with the chief or commanding officer of the relevant volunteer department. These guidelines must address eligibility criteria, vesting requirements, distribution rules, and other operational details. The Iowa Economic Development Authority (IEDA) will administer the fund and provide a dollar-for-dollar state match for city contributions, up to \$500 per participant annually. For cities with an annual budget under \$100,000, the state will instead provide a \$3-to-\$1 match, subject to the same \$500 per-person annual cap. Cities may use general fund dollars or other lawful sources, including gifts, bequests, or donations, to finance their share of the program.

Creates Sections 100B.51 and 100B.52 | Effective Date July 1, 2025

SF 659 | Standing Appropriations - Fire Protection and 911 Services

Appropriates funding for a range of programs, agencies, and projects, including two provisions of note for local government. First, it directs the State Fire Marshal to conduct a study analyzing whether a countywide structure for fire protection services would improve coverage and reduce emergency response times. The study will include at least one representative from a city with a population of 37,000 or more and one from a city with a population of 5,000 or less. It will examine the upfront and ongoing costs of implementing such a framework, current service coverage and response times, staffing and equipment needs, communication and dispatch challenges, and similar frameworks in other states, particularly in the Midwest. The study will provide a recommendation on whether to implement such a countywide framework in Iowa, with funding due to the Legislature by June 30, 2026. Also included is a reimbursement clause for the Department of Homeland Security and Emergency Management. Specifically, each joint 911 service board must reimburse the Department for undefined “reasonable costs” associated with facilitating 911 call traffic within 30 days of receiving a reimbursement request.

Amends Section 34A.12 | Effective Date: July 1, 2025

Miscellaneous

SF 383 | Pharmacy Benefit Managers Regulations

Establishes regulations for pharmacy benefits managers (PBMs), focusing on transparency in prescription drug pricing and reimbursement practices. Key provisions include prohibiting PBMs from discriminating against pharmacies, requiring them to use pass-through pricing, and requiring all rebates to be passed on to health carriers or employee plan sponsors. The law also outlines the rights of pharmacies and pharmacists, ensuring they are not unfairly restricted in their participation in health benefit plans. For city governments, this may require adjustments in how city health plans are structured and managed, potentially leading to increased administrative responsibilities to ensure compliance with the new regulations.

Amends Chapter 510B | Effective Date: July 1, 2025

SF 583 | Iowa School Safety Enhancement

Establishes “multidisciplinary school safety assessment teams,” which will be responsible for coordinating resources between institutions and assessing situations where a student may be exhibiting threatening behavior towards a school’s employees or students. City representatives on such a team may include local law enforcement officials.

Creates Section 29D.1 and amends Sections 256E.7 and 280.36 | Effective Date: July 1, 2025

SF 75 | County Supervisor Representation and Vacancy Act

Requires counties that contain a Regents University’s main campus to adopt Plan 3 supervisor district representation, in which supervisors are elected from single-member, equal population districts, with one supervisor elected per district. This change takes effect beginning with the 2026 general election and eliminates at-large or cumulative voting models in those counties. The law also modifies vacancy procedures for county boards of supervisors in counties with populations over 125,000 and in counties containing a Regents University’s main campus, aligning them with the new district-based structure.

Amends Sections 331.206 through 331.207, 43.6, and 69.14A | Effective Date: April 10, 2025

****Note: Listed amended code sections may not be comprehensive.*

INVITATION TO BID

SALE OF REAL PROPERTY

LEGAL NOTICE

The City of West Burlington is the owner of that parcel of real property ("Property") locally known as 1110 W. Mount Pleasant Street (Parcel No. 10-26-453-007) in the City of West Burlington, Des Moines County, Iowa, containing approximately 0.97 acres of land, more or less, and legally described as follows:

ALL OF LOT NUMBER 13, EXCEPT THE NORTH 30.57 FEET OF THE WEST 170 FEET THEREOF, AND EXCEPT THE SOUTH 50 FEET THEREOF, IN JULIUS H. POHREN'S SUBDIVISION IN THE SOUTH PART OF THE SW $\frac{1}{4}$ OF THE SE $\frac{1}{4}$ OF SECTION 26, TOWNSHIP 70 NORTH, RANGE 3 WEST OF THE 5TH P.M., IN THE CITY OF WEST BURLINGTON, DES MOINES COUNTY, IOWA.

The Property is being sold "as is." The winning bidder will be required, at the winning bidder's sole expense, to commence construction of a residential structure upon the Property suitable for human habitation, occupancy, or use, compliant with all applicable ordinances of the City of West Burlington within six (6) months of taking title, with construction to be completed within eighteen (18) months of taking title (subject to any mutually agreed extensions). Failure to comply with the foregoing requirements shall result in title to the Property reverting to the City.

No survey has been performed. All inspections must take place prior to bidding. The Property is vacant and available for viewing at bidders' convenience.

The Property will be sold to the bidder whose bid is most advantageous to the citizens of West Burlington, as determined by City Council in its sole discretion upon reviewing each bid, including but not limited to bid amount, proposed use, and estimated investment, which shall be included in writing as part of the bid. The City reserves the right to reject any or all bids and to waive any irregularities or informalities. All bids must be cash transactions and may not be conditioned on financing. The City Council has established a **minimum bid of \$5,000.00** for the Property. The winning bidder will also be responsible for all closing costs (including but not limited to the City's reasonable attorney fees to facilitate the Property's sale).

Parties interested in bidding on the Property may submit a sealed bid to the City Clerk at City West Burlington City Hall, 122 Broadway Street, West Burlington, Iowa, until **3:00 P.M. on August 15, 2025**. Instructions to Bidders and Bid Blanks may be obtained from the City Clerk.

INSTRUCTIONS TO BIDDERS

1. **Description of Property:** The Property to be sold (“Property”) consists of that parcel of real property (“Property”) locally known as 1110 W. Mount Pleasant Street (Parcel No. 10-26-453-007) in the City of West Burlington, Des Moines County, Iowa, containing approximately 0.97 acres of land, more or less, and legally described as follows:

ALL OF LOT NUMBER 13, EXCEPT THE NORTH 30.57 FEET OF THE WEST 170 FEET THEREOF, AND EXCEPT THE SOUTH 50 FEET THEREOF, IN JULIUS H. 2. **Receipt of Bids:** Bids will be received by the City Clerk until **3:00 P.M. on August 15, 2025**. The City Council may consider non-responsive any bid not prepared and submitted in accordance with the provisions hereof and may waive any informalities or reject any and all bids. Any bid may be withdrawn prior to the above scheduled time for the receipt of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. The failure or omission of any bidder to examine any form, instrument, or document shall in no way relieve any bidder from any obligation with respect to a submitted bid.

3. **Contents of Bids:** Each bid must be submitted on a fully completed bid blank containing the full legal name of the person or entity bidding on the Property, with a telephone number, physical address, email address, and signature of an individual with requisite authority to legally bind the bidder; and be submitted in an opaque sealed envelope marked “BID FOR PARCEL NO. 10-26-453-007.” No faxed or emailed bids will be accepted. The bid shall include all additional documents required in these Instructions to Bidders. Failure to submit all required bid items may result in the bid being deemed non-responsive.

4. **Duration of Bids; Award of Bid:** Bids shall be considered firm offers to purchase the Property and will be held open for a period of sixty (60) days from the above-referenced deadline for submission. The bid will be awarded to the bidder whose bid is most advantageous to the citizens of West Burlington, as determined by City Council in its sole discretion upon reviewing each bid, including but not limited to the bid amount, proposed use of the Property, and estimated investment in the Property, which shall be included as part of the bid. If a Purchase Agreement prepared by the City, in substantially the form enclosed herewith, is not executed by the winning bidder and submitted to the City within fifteen (15) business days of City Council awarding the bid, or if the transaction otherwise fails, the bid will be deemed null and void and the City Council will proceed to award the bid to the bidder with the next most advantageous bid, as determined by City Council in its sole discretion. No Purchase Agreement will be binding upon the City until executed by the Mayor as authorized by City Council.

5. **Condition of Property.** The Property is being sold “as is.” Each bidder may inspect the Property at the bidder’s convenience prior to bidding and shall judge for himself/herself all the circumstances affecting the Property, assuming all patent and latent conditions or defects in connection therewith. Each bidder will be presumed to have inspected the Property and examined title thereto.

6. **Notice of Special Conditions:** Bidders are notified of the following special conditions of sale, which shall be considered in determining the “responsibility” of bidders:

- a. Each bid shall be accompanied by a narrative summary of the bidder's plan for developing the Property including the total amount the bidder intends to invest in development of the Property.
- b. Each bid shall further be accompanied by a summary of the bidder's experience with projects similar to that described in the bidder's proposed development of the Property.
- c. The winning bidder will be required, at the winning bidder's sole expense, to commence construction of a residential structure upon the Property suitable for human habitation, occupancy, or use, compliant with all applicable ordinances of the City of West Burlington, within six (6) months of taking title, with construction to be completed within eighteen (18) months of taking title (subject to any mutually agreed extensions). **Failure to comply with the foregoing requirements shall result in title to the Property reverting to the City.**

7. **Bidder Questions/Addenda:** Upon the deadline for the submission of bids, each bidder will be presumed to have inspected the Property and to have received answers to all questions regarding the Property. The failure or omission of any bidder to examine any form, instrument, or document shall in no way relieve any bidder from any obligation with respect to a submitted bid. All questions prior to bid award shall be directed in writing to City Administrator, Gregg Mandsager, at 319-752-5451 or by email to cityadministrator@westburlingtoniowa.gov.

Questions must be received at least five (5) days prior to the date fixed for the submission of bids. No response will be made to any bidder individually. Any and all responses and any supplemental instructions will be in the form of written addenda to this Invitation to Bid posted at City Hall three (3) days prior to the date fixed for submission of bids and may also be obtained from the City Clerk. Failure of any bidder to receive any such addendum shall not relieve such bidder from any obligation under his/her bid as submitted.

8. **Signing Bid:** By signing its bid, bidder acknowledges reading these Instructions and agreeing to the same.

INVITATION TO BID

SALE OF REAL PROPERTY

LEGAL NOTICE

The City of West Burlington is the owner of that parcel of real property ("Property") locally known as 1110 W. Mount Pleasant Street (Parcel No. 10-26-453-007) in the City of West Burlington, Des Moines County, Iowa, containing approximately 0.97 acres of land, more or less, and legally described as follows:

ALL OF LOT NUMBER 13, EXCEPT THE NORTH 30.57 FEET OF THE WEST 170 FEET THEREOF, AND EXCEPT THE SOUTH 50 FEET THEREOF, IN JULIUS H. POHREN'S SUBDIVISION IN THE SOUTH PART OF THE SW¼ OF THE SE¼ OF SECTION 26, TOWNSHIP 70 NORTH, RANGE 3 WEST OF THE 5TH P.M., IN THE CITY OF WEST BURLINGTON, DES MOINES COUNTY, IOWA.

The Property is being sold "as is." The winning bidder will be required, at the winning bidder's sole expense, to commence construction of a residential structure upon the Property suitable for human habitation, occupancy, or use, compliant with all applicable ordinances of the City of West Burlington within six (6) months of taking title, with construction to be completed within eighteen (18) months of taking title (subject to any mutually agreed extensions). Failure to comply with the foregoing requirements shall result in title to the Property reverting to the City.

No survey has been performed. All inspections must take place prior to bidding. The Property is vacant and available for viewing at bidders' convenience.

The Property will be sold to the bidder whose bid is most advantageous to the citizens of West Burlington, as determined by City Council in its sole discretion upon reviewing each bid, including but not limited to bid amount, proposed use, and estimated investment, which shall be included in writing as part of the bid. The City reserves the right to reject any or all bids and to waive any irregularities or informalities. All bids must be cash transactions and may not be conditioned on financing. The City Council has established a **minimum bid of \$5,000.00** for the Property. The winning bidder will also be responsible for all closing costs (including but not limited to the City's reasonable attorney fees to facilitate the Property's sale).

Parties interested in bidding on the Property may submit a sealed bid to the City Clerk at City West Burlington City Hall, 122 Broadway Street, West Burlington, Iowa, until **3:00 P.M. on August 15, 2025**. Instructions to Bidders and Bid Blanks may be obtained from the City Clerk.

INSTRUCTIONS TO BIDDERS

1. **Description of Property:** The Property to be sold (“Property”) consists of that parcel of real property (“Property”) locally known as 1110 W. Mount Pleasant Street (Parcel No. 10-26-453-007) in the City of West Burlington, Des Moines County, Iowa, containing approximately 0.97 acres of land, more or less, and legally described as follows:

2. **Receipt of Bids:** Bids will be received by the City Clerk until **3:00 P.M. on August 15, 2025**. The City Council may consider non-responsive any bid not prepared and submitted in accordance with the provisions hereof and may waive any informalities or reject any and all bids. Any bid may be withdrawn prior to the above scheduled time for the receipt of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. The failure or omission of any bidder to examine any form, instrument, or document shall in no way relieve any bidder from any obligation with respect to a submitted bid.

3. **Contents of Bids:** Each bid must be submitted on a fully completed bid blank containing the full legal name of the person or entity bidding on the Property, with a telephone number, physical address, email address, and signature of an individual with requisite authority to legally bind the bidder; and be submitted in an opaque sealed envelope marked “BID FOR PARCEL NO. 10-26-453-007.” No faxed or emailed bids will be accepted. The bid shall include all additional documents required in these Instructions to Bidders. Failure to submit all required bid items may result in the bid being deemed non-responsive.

4. **Duration of Bids; Award of Bid:** Bids shall be considered firm offers to purchase the Property and will be held open for a period of sixty (60) days from the above-referenced deadline for submission. The bid will be awarded to the bidder whose bid is most advantageous to the citizens of West Burlington, as determined by City Council in its sole discretion upon reviewing each bid, including but not limited to the bid amount, proposed use of the Property, and estimated investment in the Property, which shall be included as part of the bid. If a Purchase Agreement prepared by the City, in substantially the form enclosed herewith, is not executed by the winning bidder and submitted to the City within fifteen (15) business days of City Council awarding the bid, or if the transaction otherwise fails, the bid will be deemed null and void and the City Council will proceed to award the bid to the bidder with the next most advantageous bid, as determined by City Council in its sole discretion. No Purchase Agreement will be binding upon the City until executed by the Mayor as authorized by City Council.

5. **Condition of Property.** The Property is being sold “as is.” Each bidder may inspect the Property at the bidder’s convenience prior to bidding and shall judge for himself/herself all the circumstances affecting the Property, assuming all patent and latent conditions or defects in connection therewith. Each bidder will be presumed to have inspected the Property and examined title thereto.

6. **Notice of Special Conditions:** Bidders are notified of the following special conditions of sale, which shall be considered in determining the “responsibility” of bidders:

- a. Each bid shall be accompanied by a narrative summary of the bidder's plan for developing the Property including the total amount the bidder intends to invest in development of the Property.
- b. Each bid shall further be accompanied by a summary of the bidder's experience with projects similar to that described in the bidder's proposed development of the Property.
- c. The winning bidder will be required, at the winning bidder's sole expense, to commence construction of a residential structure upon the Property suitable for human habitation, occupancy, or use, compliant with all applicable ordinances of the City of West Burlington, within six (6) months of taking title, with construction to be completed within eighteen (18) months of taking title (subject to any mutually agreed extensions). **Failure to comply with the foregoing requirements shall result in title to the Property reverting to the City.**

7. **Bidder Questions/Addenda:** Upon the deadline for the submission of bids, each bidder will be presumed to have inspected the Property and to have received answers to all questions regarding the Property. The failure or omission of any bidder to examine any form, instrument, or document shall in no way relieve any bidder from any obligation with respect to a submitted bid. All questions prior to bid award shall be directed in writing to City Administrator, Gregg Mandsager, at 319-752-5451 or by email to cityadministrator@westburlingtoniowa.gov.

Questions must be received at least five (5) days prior to the date fixed for the submission of bids. No response will be made to any bidder individually. Any and all responses and any supplemental instructions will be in the form of written addenda to this Invitation to Bid posted at City Hall three (3) days prior to the date fixed for submission of bids and may also be obtained from the City Clerk. Failure of any bidder to receive any such addendum shall not relieve such bidder from any obligation under his/her bid as submitted.

8. **Signing Bid:** By signing its bid, bidder acknowledges reading these Instructions and agreeing to the same.

REAL ESTATE PURCHASE AGREEMENT

This Real Estate Purchase Agreement ("Agreement") is entered into by and between the **CITY OF WEST BURLINGTON, IOWA ("SELLER")**, an Iowa municipal corporation, and [REDACTED] ("**BUYER**"), an Iowa corporation, as of the date of last signature set forth below ("Effective Date").

SELLER is the owner of that parcel of real property ("Property") locally known as 1110 W. Mount Pleasant Street (Parcel No. 10-26-453-007) in the City of West Burlington, Des Moines County, Iowa, containing approximately 0.97 acres of land, more or less, and legally described as follows:

ALL OF LOT NUMBER 13, EXCEPT THE NORTH 30.57 FEET OF THE WEST 170 FEET THEREOF, AND EXCEPT THE SOUTH 50 FEET THERE-OF, IN JULIUS H. POHREN'S SUBDIVISION IN THE SOUTH PART OF THE SW¼ OF THE SE¼ OF SECTION 26, TOWNSHIP 70 NORTH, RANGE 3 WEST OF THE 5TH P.M., IN THE CITY OF WEST BURLINGTON, DES MOINES COUNTY, IOWA

SELLER agrees to sell and BUYER agrees to purchase the Property (subject to survey), together with any easements and appurtenant servient estates, and subject to any easements of record for public utilities or roads, any zoning restrictions, restrictive covenants, and/or mineral reservations of record, if any, upon the following terms and conditions:

1. **PURCHASE PRICE.** The purchase price for the Property shall be [REDACTED] and 00/100 Dollars (\$ [REDACTED].00) with all closing costs paid by BUYER including but not limited to all surveying costs, abstracting costs, recording costs, and attorney's fees incurred by SELLER to facilitate this transaction. As further consideration for this Agreement BUYER agrees to commence construction of a residential structure (subject to zoning approval and a building permit) upon the Property suitable for human habitation, occupancy, or use, compliant with all applicable ordinances of the City of West Burlington within six (6) months of taking title, with construction to be completed within eighteen (18) months of taking title (subject to any mutually agreed extensions). Until such time construction of a residential structure on the Property is completed, as contemplated hereby, BUYER shall not encumber any portion of the Property by lien, mortgage, or other similar debt obligation, nor sell any portion of the Property to a third-party, without the express written consent of the SELLER. The provisions of this Agreement, generally, and this Paragraph, specifically, shall survive closing.

2. **RIGHT OF REVERSION.** Notwithstanding anything herein to the contrary, and as security for BUYER'S obligations to residential structure upon the Property suitable for human occupation or use, as provided in the preceding paragraph, the Warranty Deed conveying the Property to BUYER shall contain a right of reversion which may be exercised by SELLER, in its reasonable discretion, if BUYER fails to develop the Property pursuant to the terms of this Agreement.

To exercise SELLER'S right of reversion, SELLER shall issue BUYER a written notice to cure providing SELLER thirty (30) days in which to complete the required construction. Should

BUYER fail to comply with SELLER's written notice to cure, BUYER agrees to execute and deliver to SELLER, within thirty (30) days of the expiration of BUYER'S period to cure, a Warranty Deed and any other documents necessary to convey title to the Property. BUYER further agrees to take all reasonable steps to ensure SELLER acquires marketable title to the Property, including without limitation satisfying any lien, mortgage, or other similar debt obligation encumbering the Property. BUYER acknowledges and understands the exercise of SELLER'S right of reversion shall entitle SELLER to ownership of the Property, as improved by BUYER, including all improvements and betterments including fixtures attached to the Property with no remuneration to BUYER.

Further, SELLER reserves the right to enforce the terms of this Agreement, including the right of reversion, by instituting a legal action for specific performance and/or to quiet title in SELLER. SELLER shall be entitled to compensation for attorney fees and court costs in such an action.

SELLER'S reversionary right with respect to the Property shall terminate and be of no further force and effect at such time BUYER (or its permitted successors, assigns, or transferees) constructs a residential structure upon the Property suitable for human occupation or use. SELLER agrees to execute any documents reasonably requested by BUYER to evidence termination of the City's reversionary right as set forth herein.

3. REAL ESTATE TAXES; SPECIAL ASSESSMENTS. SELLER is an Iowa municipal corporation, and the Property is exempt from real estate taxes and special assessments. BUYER shall pay all taxes and special assessments assessed to the Property from and after closing.

4. RISK OF LOSS AND INSURANCE. SELLER shall maintain existing liability insurance upon the Property until the date of possession. SELLER shall provide BUYER with evidence of such insurance upon request.

5. POSSESSION AND CLOSING. If BUYER timely performs all obligations, possession of the Property shall be delivered to BUYER on the date of closing, and any adjustments of rent, insurance, interest, and all charges attributable to SELLER'S possession shall be made as of the date of closing. This transaction shall be considered closed, and BUYER shall take possession, upon the filing of title transfer documents and receipt of all funds due at closing from BUYER under this Agreement. Closing shall be held on or before _____ 2025, or such other date as the parties may mutually agree.

6. CONDITION OF PROPERTY. Unless otherwise provided in this Agreement, the Property is being sold "as is" as of the date of possession with no warranties of any kind, express or implied, as to its condition.

7. **ABSTRACT AND TITLE.** BUYER shall, at BUYER'S expense, promptly have an abstract of title prepared for the Property continued through the date of this Agreement and deliver the same to BUYER'S attorney for preparation of a Title Opinion, at BUYER'S expense. The Title Opinion shall show marketable title in SELLER in conformity with this Agreement, Iowa law, and title standards of the Iowa State Bar Association. SELLER shall make every reasonable effort to promptly perfect title, if needed. If closing is delayed due to SELLER'S inability to provide marketable title, this Agreement shall continue in force and effect until either party rescinds the Agreement after giving ten (10) days' written notice to the other party. The abstract shall become the property of BUYER when the Purchase Price is paid in full.

8. **SURVEY.** BUYER may, at BUYER'S expense, have the Property surveyed and certified by a registered land surveyor prior to closing.

9. **DEED.** Upon payment of the Purchase Price, SELLER shall convey the Property to BUYER by Warranty Deed prepared by SELLER, free and clear of all liens, restrictions, and encumbrances, except as provided in this Agreement. General warranties of the title shall extend to the time of delivery of the deed excepting liens and encumbrances suffered or permitted by BUYER. BUYER shall further pay for all recording fees and transfer taxes, if any, related to the recording of the deed or otherwise and shall further effectuate recording of the deed.

10. **GENERAL PROVISIONS.** In the performance of each part of this Agreement, time shall be of the essence. Failure to promptly assert rights herein shall not, however, be a waiver of such rights or a waiver of any existing or subsequent default. This Agreement shall apply to and bind the successors in interest of the parties. This Agreement shall survive the closing. This Agreement contains the entire agreement of the parties and shall not be amended, except by a written instrument duly signed by SELLER and BUYER. Paragraph headings are for convenience of reference and shall not limit or affect the meaning of this Agreement. Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine, or neuter gender according to the context.

11. **NOTICE.** Any notice under this Agreement shall be in writing and be deemed served when it is delivered by personal delivery or mailed by certified mail, addressed to the parties at the addresses given below.

12. **REMEDIES OF PARTIES.**

- A. If BUYER fails to timely perform this Agreement, SELLER may forfeit it as provided in the Iowa Code (Chapter 656), and all payments made shall be forfeited; or, at SELLER'S option, upon thirty (30) days written notice of intention to accelerate the payment of the entire balance because of BUYER'S default (during which thirty days the default is not corrected), SELLER may declare the entire balance immediately due and payable. Thereafter this Agreement may be foreclosed in equity and the Court may appoint a receiver.
- B. If SELLER fails to timely perform this Agreement, BUYER has the right to have all payments made returned to it and declare this Agreement null and void.

C. BUYER and SELLER are also entitled to utilize any and all other remedies or actions at law or in equity available to them, and the prevailing parties shall be entitled to obtain judgment for costs and attorney fees.

13. NO REAL ESTATE AGENT OR BROKER. Neither party has used the service of a real estate agent or broker in connection with this transaction.

14. CERTIFICATION. BUYER and SELLER each certify that they are not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person" or any other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; and are not engaged in this transaction, directly or indirectly, on behalf of, any such person, group, entity or nation. Each party hereby agrees to defend, indemnify and hold harmless the other party from and against any and all claims, damages, losses, risks, liabilities and expenses (including attorneys' fees and costs) arising from or related to any breach of the foregoing certification.

15. INSPECTION OF PRIVATE SEWAGE DISPOSAL SYSTEM. SELLER represents and warrants to BUYER that the Property is not served by a private sewage disposal system, and there are no known private sewage disposal systems on the Property.

16. COUNCIL APPROVAL. This Agreement is contingent upon the approval of the City Council for West Burlington, Iowa.

17. COUNTERPARTS. This Agreement may be executed in several counterparts, each of which, when so executed and delivered, shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument, even though all parties are not signatories to the original or the same counterpart. Furthermore, the parties may execute and deliver this Agreement by electronic means, such as .pdf or a similar format. BUYER and SELLER agree that delivery of the Agreement by electronic means shall have the same force and effect as delivery of original signatures and that each of the parties may use such electronic signatures as evidence of the execution and delivery of the Agreement by all parties to the same extent as an original signature.

18. EXECUTION. When and if executed by both SELLER and BUYER, this Agreement shall become a binding contract.

MEMORANDUM

To: Beaverdale, Westwood Hills, and Woodsman Trustees
From: Katie Willeford
Date: July 9, 2025
Subject: Loss Consumption for Fiscal Year 24/25

The Water Purchase Agreement states that each subdivision shall reimburse the City for any loss of consumption recorded during the fiscal year. Loss consumption is determined by comparing the readings from the subdivision's main meters (the City's point of delivery) with the total consumption recorded by all users within that subdivision.

BEAVERDALE SUBDIVISION – Loss consumption 24/25

- Gallons: 1,694,550 (increase of 637,570 gallons from 23/24)
- Charges to Escrow: \$ 25,650.06 (increase of \$9,650.77 from 23/24)

WESTWOOD AND WOODSMAN SUBDIVISION - Loss consumption 24/25

Due to the location of the Main Meters, the loss is split between the two subdivisions. Woodsman's water main serves as a delivery point to Westwood Hills. The consumption recorded on the Woodsman Main Meter includes usage for both subdivisions.

- Gallons: 4,790 (increase of 3,880 gallons from 23/24)
- Charged to each Escrow: \$ 36.25

ESCROW BALANCES AFTER PAYMENT FOR LOSS CONSUMPTION

- Beaverdale's Escrow after adjustment: **\$5,1469.34** (as of date 7-9-25, balance \$30,796.40)
- Westwood Hills Escrow after adjustment: **\$12,168.29** (as of date 7-9-25, balance \$12,204.54)
- Woodsman's Escrow after adjustment: **\$38,321.73** (as of date 7-9-25, balance \$38,357.98)

Katie Willeford
City of West Burlington
Utility Billing Clerk/ Deputy City Clerk

Utility billing software calculates the consumption on all water meters using a multiplier. Household meters use a multiplier of 10, whereas the Main meters use a multiplier of 1,000. A meter's size directly relates to the multiplier due to the number of digits on the meter's read register. Loss Consumption less than 2,000 gallons will not be charged to escrow due to multipliers.

West Burlington
Subdivision Annual Meeting Minutes
Tuesday, August 13, 2024

The West Burlington City staff and Subdivision representatives met for a regular annual meeting on Tuesday, August 13, 2024, at 3:00 p.m. at West Burlington City Hall, 122 Broadway Street, West Burlington, Iowa.

PRESENT: City Clerk Kelly Fry, Public Works Director Chase Williams, City Administrator Gregg Mandsager, and Deputy City Clerk Katie Willeford
City Clerk Kelly Fry, Public Works Director Chase Williams, City Administrator Gregg Mandsager, Water Superintendent Troy Cline, and Deputy City Clerk Katie Willeford
*Subdivision Representatives (*designated trustee):*
Beaverdale - Janis Scott *, Julia Patterson*, Brad Selby*, Kyle Gugeler
Westwood Hills - Nathan Dunham*, Chad Reckling*
Woodsman - Wayne Riniker*, Gary Adolphson, Fred Schoenewe

Discuss Fiscal Year 24/25 Water Rates for Beaverdale, Westwood Hills, and Woodsman Subdivision -

Rates for all water services associated with the respective subdivision are billed at 150% of the City’s current monthly rate structure, effective August 2024 billing.

Water RateFY24/25 -Effective August 2024 billing		Water RateFY24/25 customers within corporate city limits	
First 3,000 gallons	\$ 50.80	First 3,000 gallons	\$ 33.87
Next 997,000 gallons	\$ 21.42	Next 997,000 gallons	\$ 14.28

Discuss the Amended and Substituted Water Purchase Agreement-

The Water Purchase Agreement between the City of West Burlington and the Beaverdale, Westwood Hills, and Woodsman Subdivisions was signed on July 1, 2024, and is scheduled to terminate on June 30, 2027.

Key changes in the contract are as follows:

- The water rates shall be set at 150% of the City’s current monthly rate structure.
- The Subdivisions are financially responsible for reimbursing the City for costs related to repairs, maintenance, and loss consumption through their escrow account established with the City.
- The Subdivisions shall make necessary improvements to the water distribution system.

Discuss Subdivision Escrow End of Year 23/24 Balances-

Each subdivision has an escrow account with the City of West Burlington to cover expenses related to the water distribution system. In addition to individual water usage, the city includes the escrow charge as a separate line item on the bill. The escrow charge is considered payable under the same terms and conditions as a combined service account and serves as a monthly contribution to the escrow fund balance. Said subdivision trustees establish the amount charged to Beaverdale, Westwood Hills, and Woodsman customers.

Balances as of June 30, 2024:

Subdivision	End Balance	Monthly Escrow Billed per Individual
Beaverdale	\$ 44,766.26	\$ 15 /\$ 5
Westwood Hills	\$ 12,275.21	\$ 5
Woodsman	\$ 37,464.70	\$ 10

Discuss Subdivision's Loss Consumption for Fiscal Year 23/24 and Approve Charges to Escrow-

Loss consumption is the difference between the amount of water supplied to the main meters and the amount of gallons billed to individuals within the subdivision. Loss consumption is caused by leaks and unauthorized use within the subdivision's water system. The city uses monthly water meter readings to calculate the losses by subtracting the total gallons billed to the individual water users within their subdivision from the gallons supplied to the main meter.

<i>FY 23/24 Loss Consumption</i>			
Subdivision	Gallons	Charges to Escrow	#Breaks/Repairs
Beaverdale	1,056,980	\$ 15,999.29 (tax included)	6
Westwood Hills	>500 Split*	N/A **	0
Woodsman	>500 Split*	N/A**	0

**Due to meter location, Westwood and Woodsman split loss consumption. Westwood's consumption goes through Woodsman's Main Meter. Loss is calculated by removing both subdivisions' individual users' consumption from Woodsman's main meter consumption.*

*** Individual meters read on a scale of 10, whereas the subdivision main meters read on a scale of 1,000. Consumption <or> than 1,000 gallons shall not be charged.*

Discuss the condition and improvements for Beaverdale, Woodsman, and Westwood Hill's Water Distribution System-

City staff and representatives from the subdivision met to discuss future challenges, which include engaging subdivision residents, financial matters, and compliance issues. The subdivision has hired Klinger & Associates to conduct a water study of the area's infrastructure. The findings of the study will provide a better understanding of how to proceed with funding. It was agreed that the first payment installment would be paid from each subdivision's escrow account based on the percentage of users.

Shortly after the start of FY 24/25, the city received two invoices for repairs to subdivision water mains. Payments were made using funds from the escrow accounts, resulting in a debit to the escrow's fund balance. City staff consulted the Iowa Department of Natural Resources (DNR) regarding the status of the Subdivision's Public Water Supply Permit. The DNR will review the amended agreement and notify the parties of any necessary requirements.

Water Distribution System Annual Meeting

The City of West Burlington & The Beaverdale, Westwood Hills, And Woodsman Subdivision

Historical Meeting Minutes

February 2006–

The city agreed to sponsor a Community Development Block Grant application to help pay for improvements to the water mains in this area. Snyder & Associates completed a Water Study with the CDBG application at the cost of \$4,500 to the Beaverdale Subdivision. The grant was not awarded for this project. The Beaverdale Subdivision would like to meet with the city to discuss improving their water mains. During earlier discussions with the City, we informed them that any water main replacement would need to be done in accordance with City regulations. This means the mains would have to be replaced with a minimum 6-inch line. A 6-inch line is the minimum size line necessary to support fire protection. Currently, the 2-inch lines in the subdivision do not allow for fire protection in the Beaverdale Subdivision. The only fire hydrants in the Beaverdale area are located on Beaverdale Rd. Lori Whalen with the Beaverdale Subdivision stated that they received quotes to replace the existing mains with the same size that is currently in place. The cost to replace the mains with a larger line would be much more expensive, and they feel that the residents cannot afford the added cost to run the larger lines. They indicated that they would like to meet with the city later to discuss upgrades to the mains.

September 2014–

Both parties met and discussed the age and condition of the water mains and the supply of material to make repairs. Francis Pump and Well has purchased the remaining supply of obsolete fittings and pipes to make repairs to the existing mains.

November 2016–

Parties met and discussed the water mains' age and condition and the material supply to make repairs. Francis Pump and Well has purchased obsolete fittings and pipes to repair the existing mains. Beaverdale Trustee Lori Whalen thought annexation for the subdivision would be received more openly now, but Lori was told the city would not likely go in that direction. The cost to the city would be too great for the subdivision to meet all the requirements and specifications. Contract obligations will be met in the year 2024. Beaverdale's electricity charges have been obsolete for a partial year, and Eastern Iowa Light and Power have not been charged for services. However, Westwood and Woodsman's electrical charges have increased due to scheduled rate changes.

November 2017–

The parties discussed the same issues as in previous years: the aging water mains and their condition. The future of the agreement was spoken briefly. In May 2024, the contract expires, and Administrator Gifford explained that if the contract is to be renewed, there is a possibility of charging the Subdivisions an additional fee or service charge. Mr. Reckling inquired about future sewer connections and was told the city has no desire to explore them at this time.

July 2018–

The city met with subdivision trustees and representatives: Fred Schoenewe (Woodsman), Lori Whalen (Beaverdale), Chad Reckling (Westwood Hills), Scott Salisbury (Beaverdale), Wayne Riniker (Woodsman), Robert Kremer (Woodsman), Tony Dixon (Woodsman) to discuss payment plan options for the Meter Swap Project. It was explained to those who attended that the project was

funded by those who pay sewer rates. The subdivisions will have to pay for the meters at their own expense. It was pointed out that the letters sent out for appointment notices had an error and stated there was no cost to the customer. Those who attended were informed of the error and the 12-month payment plan beginning 10/2018, collected in their escrow accounts. They were also told they are all receiving meters and installation at cost. Representatives discussed the age and condition of the water mains, the supply for fittings, and the potential to locate materials in the future. Westwood Hills will revisit the amount they contribute to their Escrow this fall. The City Administrator, Gifford, stressed the importance of finding alternative solutions and water providers to serve the subdivisions. Trustee Richard Snider has been delegated to investigate solutions and report to trustees.

2020-2021-

No meetings held due to COVID-19; Annual notification of rate changes and escrow balance(s) mailed to Trustee annually:

June 2022-

The city met with subdivision trustees and representatives: Jody Butler & Chad Reckling of Westwood Hills, Julia Patterson & Richards Snider of Beaverdale, and Robert Kremer & Wayne Riniker of Woodsman. Staff in attendance included City Administrator Gregg Mandsager, City Clerk Kelly Fry, Water Superintendent Troy Cline, and Utility Billing Clerk Katie Willeford.

Staff and trustees discussed several topics. The projected water rates for FY 22/23 included a \$ 3.00 decrease in the base charge. Rates will be reduced from \$33.16 for the first 3,000 gallons to \$30.16. City staff suggested trustees keep the bill the same but move the \$3.00 into their escrow. Richard Snider, a Trustee of Beaverdale, requested a letter be sent to move \$3.00 to escrow.

City Administrator Mandsager informed the attending representatives that the city would charge each escrow for the city's loss of consumption within their subdivision. Loss consumption is calculated by comparing the readings recorded on each subdivision's main meters (the City's point of delivery) and the collective total consumption per user in their designated subdivision. Trustees agreed with the charges and believed the consumption steps from age and conditional of materials.

Escrow shall be charged as follows, including tax and adjustments for the end reading of FY 21/22

Beaverdale's loss consumption

- Gallons: 716,640
- Charged to Escrow: \$ 9,655.00

Westwood and Woodsman's collective loss consumption

(Loss is split between the subdivisions due to the main meter's location: one runs through the other)

- Gallons: 52,810
- Charged to each Escrow: \$ 355.61(each)

Water Distribution System Annual Meeting

The City of West Burlington & The Beaverdale, Westwood Hills, And Woodsman Subdivision

Historical Meeting Minutes

September 2023-

The city met with subdivision trustees and representatives. Staff and trustees discussed several topics. Richard Snider, a Trustee of Beaverdale, requested a letter be sent to move \$3.00 to escrow.

City Administrator Mandsager informed the attending representatives that the city has been charging each escrow for the city's loss of consumption within their subdivision. Loss consumption is calculated by comparing the readings recorded on each subdivision's main meters (the City's point of delivery) and the collective total consumption per user in their designated subdivision as agreed upon in the previous meeting.

Escrow was charged as follows and includes tax and adjustments for the end reading for FY 22-23:

Beaverdale's loss consumption

- Gallons: 727,040 Gallons
- Charged to Escrow: \$ 10,581.19

Westwood and Woodsman's collective loss consumption

(Loss is split between the subdivisions due to the main meter's location: one runs through the other)

- Gallons: 57,270 Gallons
- Charged to each Escrow: \$ 416.75(each)

March 2024-

Staff met with trustees and several subdivision residents and discussed several topics. City Administrator Mandsager highlighted a few items in the tentative amended water contract.

1. Water rates for subdivision customers will increase by 150% of the city's current monthly rate structure due to providing water services outside corporate city limits.
2. Each subdivision will be responsible for reimbursing the city for the loss of water consumption based on a fiscal year total.
3. If a subdivision's escrow falls below \$3,000, the subdivision must bring the balance to \$10,000 within 30 days.
4. The amended agreement will begin July 1, 2024, and expire June 30, 2027.
5. Subdivisions must make necessary improvements to their distribution system.

Staff reviewed the As Of date (3/5/24) Escrow and Loss Consumption reports with attendees:

Beaverdale's loss consumption

- Gallons: 733,550 Gallons
- Charged to Escrow: \$ 10,475.09
- Escrow Balance: \$ 41,495.69

Westwood and Woodsman's collective loss consumption

(Loss is split between the subdivisions due to the main meter's location: one runs through the other)

- Gallons: 760 Gallons
- Charged to each Escrow: \$ 10.85(each)
- Escrow Balance Westwood: \$ 11,513.38
- Escrow Balance Woodsman: \$ 36,170.06
